Circular dated 1st-13th February 1950.

All Heads of Offices.
All Heads of Departments.

Subject:—Procedure to be followed by the several Departments of Government in realising cheques received from the Public in satisfaction of dues to Government.

No 557—B. II. It is seen of late, that Departmental Officers are forwarding cheques received by them in satisfaction of dues to Government direct to the Comptroller for realisation. This procedure being contrary to the provisions contained in note to Article 7, M.C.A.C. Volume I, should be discontinued.

In respect, however, of cheques received by the several offices of Government situated in Bangalore, the procedure prescribed in G.O. No. Fl. 3961-4020—G.F. 134-46-2, dated 19th November 1946, should invariably be followed.

The extract of the Government Order of 19th November 1946 is furnished hereunder for facility of reference.

V. T. SREENIVASAN,
Comptroller.

FINANCIAL SECRETARIAT.

No. Fl. 3961-4020—G.F. 134-46-2, dated 19th November 1946.

Cheque remittances for credit of the Dewan's Deposit Account.

According to the existing procedure cheques received by the several departments of Government in Bangalore are remitted to the Bank through the Bangalore District Treasury, except in the case of the Electrical Department. It is generally complained by the departments that this procedure involves delay in the adjustment of cheque realisations to the credit of their accounts. It is, therefore, arranged that the departments accepting the cheques may remit them directly to the Bank of Mysore, Limited, Head Office, the amounts being transferred by the Bank to the Dewan's Deposit Account once a week at the end of each month. The following is the procedure for accounting of the same:—

(i) The several offices of Government situated in Bangalore that accept cheques from the public in satisfaction of dues to Government shall remit such cheques classified into three categories—

- (a) Cheques on Head Office,
- (b) Cheques on Local Banks including branches of Mysore Bank,
- (c) Cheques on outstations including branches of Mysore Bank,

and to the Bank of Mysore, Ltd., with duplicate schedules for each category for credit to a separate suspense account to be opened in the books of the Bank in the official name of the officer. There shall be no drawings on this suspense account and effect this will be merely a suspense account for credit of receipts to the Dewan's Deposit Account the same being adjusted weekly and also at the end of each month).

(ii) The Bank on realisation of the cheques, will afford necessary credit to the concerned suspense account (deducting mission charges, if any, on outstation cheques) and will advise full particulars to the remitting officer.

(iii) The balance at the credit of each suspense account at the end of each week, as also at the end of each month, shall be transferred to the credit of the Dewan's account and the amount so transferred will be intimated to the concerned officer. There will be only one figure in the Dewan's Account per week for each officer and no details will be shown.

(iv) The departments have to maintain detailed accounts showing cheques remitted. For this purpose a register styled "Register of Remittances by Cheques to the Bank of Mysore" will be opened in the accompanying form in which all details of cheques received, remitted and adjusted will be noted. It will be the duty of the departmental officers to see that cheques sent are promptly realised or, if not cashed for any reasons, are returned to the departmental officer.

(v) On receipt of weekly advices of transfers to the Dewan's Deposit Account, the departments should verify the amount and furnish necessary classification for the same to the Books Section of the Comptroller's Office without delay in the annexed.

(vi) This procedure of accounting will apply to the Railway and Electrical Departments also. The new procedure will be brought into force with effect from November 1946.

5564

Circular dated 31st January 1950.

To

All Heads of Departments.

All the Treasury Officers.

Subject:—Misclassification in Treasury Accounts under XII. Stationery and Printing and other Heads.

No. 558—B. II. It has been brought to the notice of this office that receipts of Stationery and Printing, Public Health, Jail and other service Departments which are finally to be taken as reduction of expenditure are classified by the Treasuries as final receipts of the Departments. This is wrong in principle. They are to be rightly taken against the corresponding receipt heads in thick type in the cash accounts. The result of such a misclassification on the part of the Treasuries has been to inflate figures under the Departmental Revenue Receipt Heads giving rise to much avoidable correspondence between the Audit Office and the receiving Departments and verification of cheques and schedules, particularly at the time of the Revised Budget Estimates.

With a view to prevent such misclassifications and consequential unnecessary correspondence in future, the Treasuries are instructed to insist on all details required for a correct classification of the receipts and classify under relevant heads in the cash account. Receipts which are to be taken as reduction of expenditure in the books of the Audit Office must without fail be taken against the heads in thick type under the Departmental receipt heads in the Cash account.

To quote an instance, sale proceeds of Vaccine Lymph should be classified as "XVIII. Public Health Sale of Glycerine Vaccine" and not "XVII. Public Health Sale of Vaccine" and the same will be classified in this Office as "22 Public Health, 3. Vaccine Institute."

Deduct Sale proceeds of Glycerine Vaccine Lymph."

A similar procedure will have to be followed in respect of receipts pertaining to Stationery and Printing, Jail and other Departments also.

Instructions conveyed in this Circular are to be strictly adhered to by the Treasuries with immediate effect. Head of Departments may bring any lapse on the part of the Treasuries observed in this regard to the notice of this office for taking suitable further action to remedy such irregularities in consultation with the Revenue Commissioner.

For Comptroller.

Re "Contributions towards W. Deposits, 19. Other Deposit (a—h) Refugee Fund"

No. 561—B2. It has been brought to the notice of this office by the Commissioner of Refugees that contributions made by several philanthropists and credited under the above head to account at the several treasuries in the State are still continuing either under the Refugee Fund account or under Savings Bank account without being transferred in time to the Bank of Mysore, Ltd., for being centralised there.

In this connection reference is again invited to Circular No. 477—BII, dated 9th January 1948 of this office where all the treasuries were instructed to transfer all Refugee Fund Collections once a fortnight by means of an R.T.R. in favour of the Manager, Bank of Mysore, Ltd., Bangalore.

The Treasury Officers may therefore immediately arrange clear all the outstanding collections as directed in the above Circular for being consolidated under the Refugee Fund account maintained at the Bank of Mysore Ltd., Bangalore.

A statement of such transfers may also be sent to the Commissioner for Refugees in Mysore, Bangalore, for information.

Circular No. 169—P.S. dated 13th February 1950.

To

All Officers of the State who draw or countersign Pre-audit Bills.

Subject:—The presentation of contingent and supplies and services bills for pre-audit and payment before the end of the official year 1949-50.

If a large number of bills which have to be pre-audited and paid before the close of the official year 1949-50 are sent to the Audit Office during the last few days of March 1950, it will result in great inconvenience and severe strain on the Pay Section and other Audit Sections of this Office. Therefore, all drawing and countersigning officers are requested to arrange for the expeditious disposal of such bills at all stages and for the transmission of the same to this office from now onwards, as and when each bill is ready to be sent to this office, so that there may be no congestion of work in this office towards the close of the official year. This step will

to ensure that a number of these bills are not carried over audited to the next official year.

The audit of bills for contingencies and supplies and vices received in this office after the 25th of March 1950 not ordinarily be expected to be completed by the 31st of March 1950.
